Further revision of the scale of expenditure of the Mysore charities at Tirupati -

From

The Mag. Coll^r in Mysore

No.	Dated		Received
nary No. 8 24	Enclos /	Spare Copies	Serial No. /

BRIEF ABSTRACT OF LETTER.

States that the provision in the Scale for conveyance is not sufficient for the purchase of the best sort of rice can solicits orders as to whether the quantity to be supplied should be reduced to keep the cost within the sanctioned amount or whether the excess cost of Rs 750/- a year may be allowed.

NOTES AND ORDERS.

In the revised scale of expenditure sanctioned for the Mysore charities at Tirupathi in G.O. No. 1777-8/Mig, 1st-23 & 27-6-24, a provision of Rs 1380 has been made for Akkaravadi, paid of the sum of Rs 577 proposed by the Mag. Coll^r

Serial No.

The Mun: Com^n proposals are :-

1) That the best sort of ghee at Rs 27 per maund may be used for the Abkhana during the remaining period of the contract ~~in lieu of the 2nd~~ year i.e 7 months & the excess cost made up out of the savings accrued till now by using ghee at Rs 15 a maund.

The Peshkar's proposal is that the 1st sort of ghee may be used during the remaining period of the contract i.e, till the end of Feb 1925.

2) Of the ghee of ~~2nd~~ 1st quality ~~of the 2nd sort~~ should be continued to be supplied thereafter, the M.C. states that the extra expenditure will be Rs 750 a year.

2. The provision of Rs 4320 now made ~~is made~~ is at Rs 24/- a maund. At an extra cost of Rs 3/- per maund, the excess cost per year for 180 maunds will be Rs 540 It is not clear how the extra add^l cost is put down at Rs 750 - Rs 210 more.

3. As the Peshkar states that ghee at Rs 27 a maund cannot be supplied out of the amount provided for in the scale of that ghee of the 2nd sort, which the contractor has agreed to supply at Rs 23/- per maund, is tolerably good and may be supplied out of the provision

in the peak, it is not clear why the M.C solicits orders either to supply the ghee of the least quality and incur addl cost or to reduce the quantity to be supplied - The provision was enhanced with the object of supplying good and not worst ghee, as stated by the M.C. in his present letter. The wordings of the Pechkan are - "24-0-0 ಅಭ್ಯಕ್ಷರು ಅವರ ಪ್ರಸ್ತಾವನೆಯಂತೆ ಪ್ರತಿ ದಿನಕ್ಕೆ ಅರ್ಧ ಸೇರಿನಂತೆ ಒಂದು ವರ್ಷಕ್ಕೆ ಅನುಮತಿ ನೀಡಿದೆ" If the supply of ghee of the 2nd sort is ordered, then the question of addl cost will not arise. The quantity of ½ md per day need not also be reduced

4. In this connection kind ref^e is invited to para 4 of the member's final note in the records collection part ch for ref^ce (155-23)

So, the points for orders :-

1) The quality of ghee to be supplied during the remaining period of the year

2) The quality of ghee to be supplied next year & thereafter.

ಶ್ರೀ 5) A grant of Rs 4564 10-12 ns him may be kept ready pain

from the Main Temple to the Subsidiary Temple, and the Order issued that the revised Scale of Fees may be given effect only on & from 24. The Committee further suggest that the Temple staff may not be remunerated for Rs 24 per mensem which does not involve any extra Fees.

6) The present arrangement may be continued for another 6 months after which period a fresh reference may be made if necessary.

11/12/24

7) The Muzrai Commr's calculation is not at all clear. Anyhow as the 2nd Sort Rice can be had for a sum below Rs 24, the rate provided for in the Scale, it may be continued.

To the Mun. Commr. N. No. 964 d. 3-1-25.

States that as the contractor's rate for the second sort of ghee is slightly less than the one provided in the scale of expenditure recently sanctioned, as the Peshkar considers this quality of ghee to be quite suitable for the purposes, no change in the revised scale is called for.

No. C/133/24-25 one Office of the Muzrai Commissioner in Mysore.

Dated Bangalore, 4th December 1924.
5-12

From

K. Chandy, Esquire., B.A.,

Muzrai Commissioner in Mysore,

Bangalore.

To

K. V. Anantaraman, Esquire., B.A., Muzg. 156-24-1.

Secretary to the Government of

His Highness the Maharaja of Mysore,

Revenue Department.

Sir,

With reference to Government Pro:No.1777-8/M.F.15f-23-4 dated the 7th June 1924, sanctioning the revision of the scale of expenditure for the Mysore Charities at Tirupati with effect from the 1st July 1924, I have the honor to state that the Peshkar of the Tirupati Charities reported in his No.11 dated 24th July 1924 (copy enclosed for kind perusal) that the amount provided for in the scale for Akhanda would not permit the purchase of the best quality of ghee which sold at Rs.27/- per maund and that after deducting the cost of thread for wick etc., which amounts to Rs.40/- annually, there would only be left Rs.4540/- which would fetch only the 2nd quality ghee, the contractor's rate for which is Rs.23-12-0 a maund and solicited orders in the matter.

2. With a view to supply the best quality possible, the samples of several kinds of ghee were obtained from the Peshkar and he was directed to find out from actual use under personal supervision if the use of 1st quality ghee would result in a savings in the quantity so as to make good the difference in cost and report the result. He replied to say that he would try the suggestion after the season of Utsavams was over.

3. His promised report has not been received and it has been brought to notice that the quantity of ½ a maund a day cannot be maintained, the during the remaining period of contract which terminates by the end of February 1925, the best ghee at Rs.27/- may be ordered to be used,

excess cost being met out of the saving effected by the use of the --- inferior quality till now and that it is obnoxious to use the most inferior ghee especially in the Garbhagudi while the other lamp in the sanctum sanctorum maintained by the temple itself is fed with ghee of the best sort which costs the temple Rs.32/- per maund.

4. With the savings of the past 5 months under this head, which --- accrued by using ghee at Rs.13/- a maund, the 1st sort of ghee may be allowed during the remaining seven months of the year, but the difficulty would then be to continue the same quality in as much as the grant would allow only the purchase of the quality costing Rs.23-12-0 a maund. If the 1st quality ghee has to be supplied, it means an extra provision - of Rs.750/- a year. Of course, it would be possible to use the best - quality within the alloted amount provided the quantity is reduced, but Government order No. 1777 —8 Dated 7 June 24 appears to be opposed to such a step.
24-7-153-23-4

In these circumstances, I solicit the favour of early orders of Government in the matter.

I have the honor to be,

Sir,

Your most obedient servant,

Mudaly

Mudral Commissioner.
